

Darr got home this morning. I havint seen her to speak to her yet. I got a letter from Aunt Jennie yesterday - She writes about the same to me as she does to you.

When will Cad's trial be? Do they think Mr. Snow dangerously hurt?

I was glad to hear of the success in the revival meetings - They are having such good meetings here I wish I could go.

He got a real pretty picture with over

grocery tickets up to
you - I would rather
have it than a piece of
their silver ware.

Well I can't write
any more this time
I am tired -

Write soon

As ever

Dear Mamma,

I must answer your letter today
I got it Tuesday and am glad
you are coming. I have been
feeling better the last week
than when I wrote before -
I hope Louie will get home
and get a much needed
rest before you come. Our
boarders are going the 1st
of Feb. They haven't looked
yet for a place but I
think they are going to
today.

We crashed Monday and

Tues. I baked bread, cake
& pies. I get Mrs. Mc's
gasoline over & I give her
a loaf of bread for the
use of it - Oven over is
done for" The damper is
broken off and fallen
down on the inside - we
don't use the stove only
when we wash.

Say mamma - when
you come - can't you
bring a couple of your
old sheets - They will be
easier washed than mine
& you can take them
back with you. Mrs.
